Clarity & Confidence Coach for Mid-Career Professionals

Your Coaching Blueprint

Generated on May 28, 2026

Your Ideal Audience

AUDIENCE PERSONA

Kartik

AGE RANGE

35-45

ROLE

Senior Manager at Tech Company

LOCATION

Bangalore

PAYING CAPACITY

₹15,000 - ₹50,000

CURRENT SITUATION

10+ years in corporate IT, managing a team of 15 developers, earning ₹25L+ but feels stuck. Works 50+ hours weekly, has lost touch with hobbies and family. Sees younger colleagues getting promoted faster. Started questioning if this is all there is. Has thought about coaching for 2 years but never took action.

ONLINE PLATFORMS

LinkedIn, YouTube, WhatsApp Groups

PAIN POINTS

- Feeling unfulfilled despite a "successful" career
- No clear roadmap to transition out of corporate
- Fear of starting from scratch at this age
- Time constraints between job and family
- Imposter syndrome about being a coach

DESIRES & GOALS

Biggest Desire: Build a coaching business that gives him freedom to work from anywhere, impact lives directly, and earn ₹2L+/month within 18 months without sacrificing health and family time.

- Quit 9-5 in 18 months

- First paying client in 90 days
- Build a personal brand on LinkedIn
- Create a signature coaching program

I have the experience. I just need the roadmap.

Your Signature Program

The Corporate Escape Blueprint

A 90-day intensive program designed to help mid-career professionals transition from corporate jobs to a thriving coaching/consulting business. Covers niche clarity, offer creation, client acquisition, and financial planning.

PRICING STRATEGY

\$4999

Starting Price

₹2,999 - ₹4,999

Sweet Spot Range

Justification: ₹4,999 is positioned as an accessible yet serious investment for Indian working professionals. It is low enough to reduce purchase friction but high enough to attract committed action-takers who will do the work and get results — leading to testimonials and referrals.

Market Insight: In the Indian coaching market, programs priced between ₹3,000-8,000 see the highest conversion rates for first-time coaches. Your target persona (₹15-50L salary) views ₹4,999 as a "no-brainer" investment for career transformation.

Your Next Steps

You now have a complete blueprint for your coaching business. Here's how to turn this plan into action:

1 Review & Refine

Read through your entire blueprint. Share it with a mentor or peer for feedback.

2 Set Your Launch Date

Pick a realistic date 12 weeks from now. Mark it on your calendar and commit to it.

3 Create Your First Piece of Content

Write a LinkedIn post, record a short video, or publish a blog that speaks directly to Kartik.

4 Set Up Your Coaching Platform

Choose a platform (Zoom, Calendly, Stripe) and set up your booking and payment flow.

5 Begin Week 1 of Your Roadmap

Open your calendar and block time for the Week 1 tasks. Momentum starts with the first action.
